Check by ☐ css

```
<h2 class="mb-0">
  <button class="btn btn-link btn-block text-left collapsed"
type="button" data-toggle="collapse"
  data-target="#collapseThree" aria-expanded="false" aria-
controls="collapseThree">
    Blog
  </button>
</h2>
</div>
<div id="collapseThree" class="collapse" aria-labelledby="headingThree"
data-parent="#highlightsAccordion">
  <div class="card-body">
    Read my blog where I share my thoughts.
  </div>
</div>
```

Check

Use the Message Filtering button below to hide/show particular messages, and to see total counts of errors and warnings.

Message Filtering

Document checking completed. No errors or warnings to show.

Image report

The `img` elements of the page are shown below categorized by their type of textual alternative. Please review that the images in each group match that group's definition.

Images with textual alternative

The following images have textual alternatives. Please review that the textual alternatives make sense considering the purpose of the image in the context of the page and that phrases like "Image of ..." are avoided.

Note that iconic images that are redundant with text next to them or purely decorative should have `alt=""` instead.

Image	Textual alternative	Location
Not resolvable	An Image of Alex	From line 69, column 7; to line 69, column 83

Source

```
